

08:00	Registration up from 08:00									08:00
09:00	09:00-10:00 • Plenary Lectures (PARIS) The shift of renewable energies from a legal perspective - contractual risk sharing in a dynamic legal and regulatory environment, Dr. Yves Bock General Counsel Energy Management Legal and Compliance - Siemens AG, Erlangen A Train to Nowhere-Land? Ethical Glosses on the 'Energiewende', Prof. Dr. Peter Dabrock Lehrstuhlinhaber für Systematische Theologie II, FAU Erlangen-Nürnberg, Erlangen									09:00
	10:00-10:30 • Coffee break									
10:30	SESSION I									10:30
	PARIS	VENEDIG 2	ZÜRICH	DUBLIN	AMSTERDAM	LONDON	MADRID	TUNIS	CANNES	
	Session 19	Session 20	Session 21	Session 22	Session 23	Session 24	Session 25	Session 26	Session 27	
	Storage	Markets	Cities	Renewable Resources	Combined heat and power I	Integration	Simulation & Modelling	GFB	GFB	
11:00		Smart Grids				Electrical Energy / el. Storage	Cross-Sector Aspects and Simulation	Increased energy efficiency of production processes	Solutions of condition monitoring monitoring	11:00
12:35	12:35-01:30 • Lunch break & Campfire									12:35
01:00	SESSION II									
	PARIS	CANNES	VENEDIG 2	AMSTERDAM	ZÜRICH	LONDON	MADRID	DUBLIN	DUBLIN	
	Session 28	Session 29	Session 30	Session 31	Session 32	Session 33	Session 34	Session 35	Session 36	
02:00	Mobility / iLOHC	Markets	Buildings II	Combined heat and power II	Building Materials	Integration	Simulation & Modelling	GFB-Workshop	GFB-Workshop	02:00
03:00		Gas Markets & Smart Grids				Power2heat / power2gas & Thermal Processes / Bio Mass	Process Engineering and Simulation	Production methods for enabling energy revolution	Production methods for enabling energy revolution	03:00
	03:35-04:00 • Coffee break & Campfire									
04:00	04:00-04:30 • Final remarks & GFB-Award (PARIS)									04:00
05:00										05:00

Poster exhibition & Industrial exhibition
